Weather & Safety

ZWEST has a safety specialist on call during the summer who may lead fire drills, tornado drills, etc. The safety specialist will watch the weather and advise the staff to take shelter should inclement weather occur.

Z'CAMP STAFF

The entire staff at the Zionsville Community Schools' Summer Z'Camp are qualified and trained to provide quality care and programming for campers. Our Leadership Team are BAC Site Leads/Asst. Leads or certified teachers who also help run the summer program. Our group counselors, activity leaders, coordinators, nurses, etc. have been through a screening process and background checks. Our Z'Camp staff to camper ratio is 1:10 or less.

Camp Nurse

Z'Camp has made a commitment to have a camp nurse on duty during camp hours. These are St. Vincent Health Care Assistants work in ZCS schools during the school year. In the event of an incident, accident or illness, the Z'Camp Nurse will:

1. Contact the child's parent(s) or an individual on the child's contact sheet by telephone, outlining the nature of the incident, accident or illness involving the child and whether the child can stay at camp or needs to be picked up.
2. If the child is in a medical crisis, the child will be taken to the nearest medical facility, by emergency transport, for treatment by a licensed physician. If the parent cannot ride in the ambulance then the Camp Nurse will ride with the camper to the hospital of your choice.

In the interest of every child's well-being, only healthy children will be permitted to attend camp. These are the conditions under which you are requested to keep your child at home:

1. If he/she has a fever or has had a fever of more than 100.4 degrees during the previous 24-hour period.
2. If he/she has diarrhea or vomiting.
3. If he/she breaks out in a rash.
4. If he/she has symptoms or a possible communicable disease (see COVID self-screening).

The camp medical form must be signed if medication is to be dispensed to a child.

Sunscreen and Bug Spray Policy

Please apply sun block and bug spray before your child arrives. ZCAMP will apply sunscreen in the mid-day. Do not send sunscreen with your camper as ZCAMP is providing sunscreen for the Preschool – 6th grade camps this summer.

Eagle Recreation And Enrichment

Campers who are registered in Eagle Recreation and Enrichment courses will be transported for FREE via ZCS yellow school bus! Parents, your children do not have to miss out on a thing this summer!! [Click here](#) to peruse the summer programs and register. Parents must communicate transportation needs via e-mail with Nick Stafford the Eagle Rec Travel Coordinator by the Friday before the week that the Eagle Rec course begins. His email is nstafford@zcs.k12.in.us. If you need to contact him for a last minute change he can be reached on a site cell – 317-524-8704. This service operates from 8:00am to 4:00pm Monday – Friday. If your child needs to be picked up outside of that window it will be the parent's responsibility to transport. **It is very important to communicate ERE courses to camp personnel because the programs are not linked in the registration processes.**

Lunch & Snacks

All campers must bring their own lunch/drink in a temperature controlled lunch box/sack, as no refrigeration is available. Lunches will remain in air-conditioned space except on field trip days. ZCS food service does not operate in the summer. K-6 campers will be offered a healthy snack once per day in the afternoon. Pre-K campers may receive two snacks. An allergy free table will be available to campers upon request. All campers will eat with their assigned group classroom instead of the cafeteria. **Please remember to provide a clean water bottle for each camper every day. Campers will fill water bottles at the water bottle filling stations. No drinking fountains are available to campers due to Covid 19 protocols.**

Photography

To promote ZCS-GROW and its programs, we will often photograph the children while they are active at Z'Camp. As a parent, during EZChild Track registration you will give consent to have your child photographed and relinquish all rights, title and interest in the finished photographs. Student names will never be published. These photos may be posted on the Z'Camp website, Z'Camp weekly newsletter, ZCS or GROW website or ZCS social media and local media outlets.

Grow (Camp) Code Of Conduct

The philosophy of the GROW program is to ensure that each participant is provided a safe environment where children are well supervised and enriched in creative programming by our professional staff. In order to meet our mission, we feel that collectively as a team the GROW program staff, parents and students will agree to maintain an atmosphere that is positive, safe and welcoming.

These policies remain in effect while in the care of the Z'Camp or GROW program staff.

Expectations:

- Use words instead of physical actions to solve disagreements
- Speak respectfully to other participants and GROW staff
- Show self-control
- Use appropriate language
- Show respect for facilities, equipment and others' personal property
- Never use "put downs"
- Follow the program rules

In order to encourage positive behaviors while participating in a GROW program we have a discipline contract for parents, students and staff to sign.

1st Offense:	Verbal discussion
2nd Offense:	Timeout
3rd Offense:	Staff member will contact the parent at pick up or in a telephone conversation or in a written letter.

4th Offense: A parent/caregiver will be asked to pick up the student immediately.
5th Offense:* The student can be dismissed from the GROW program.

*Only the GROW or BAC Director can alter the discipline contract or reinstate students into GROW. Some serious incidents will result in immediate expulsion from Z'Camp and/or GROW programming.

GROW/BAC reserves the right to sever customer relationships with 48 hours' notice when it is clear that our services are not a match for a family as evidenced by repeat issues of concern for care, late or insufficient payment, or consistently negative or abusive communications with site or other GROW/BAC staff. While we are not perfect and can benefit from customers' feedback to ensure that the child experiences in BAC are of quality, it will not do for our caregivers or support staff to be disrespected by any parent. Contact BAC Director, Sue Gregerson sgregerson@zcs.k12.in.us with concerns.

Personal Items and Camp Clothes

Washable play clothes are most suitable for the Camp Programs. Play clothes and shorts are recommended. Children must bring their own comb/brush, towel and swimsuit in their camp issued carrying bag on swimming days. Flip flops are only permitted to wear to and from the aquatic center. The child's name must be labeled on all personal items. Z'Camp cannot be responsible for unmarked or lost items. Z'Camp inherits a lot of lost personal items throughout the summer. Z'Camp provides a wide variety of appropriate toys and games for each age group; therefore, campers should not bring toys/trading cards or electronic devices from home. Please provide a **hat in your child's backpack** for them to wear during fishing. This adds another layer of safety from hooks and the sun. Clearly mark your campers name on all items.

Swim Lessons

Campers will receive weekly swim lessons as part of the Z'Camp program schedule. All campers will be given a swim skill test to assess their swim ability. Swimmers will be placed in the Red group, (STOP at the instructional pool only) Yellow group (Caution/progressing to the dive well) or the Green group (green mean GO to any pool). On the morning of a swim day all campers will check in with the swim coordinator to make sure they receive the red/yellow/green dot and have all of their swim gear. The camper's swim abilities will be continually assessed all summer long and will be placed in higher swim groups once they accomplish all tasks in their current swim group. Campers will also have about 30 minutes of free swim before or after each lesson to help build swim confidence.

All children will swim unless they have a note from a physician.

Pre-K swimming occurs on Tuesday and Thursday mornings from 11:00-12:00am. Only children who are 4 will be permitted to participate in swim lessons. More information will come from summer Leads.

Program Activities

Each week at Z'Camp will be a little different, but many of the popular program activities will remain the same. We will always have swim lessons or plan a swim outing. There is no Z'Camp or Access Days on August 1, 2 or 3rd before school starts on Tuesday, August 4.

Reminder: All 9 weeks of camp will be held at Zionsville West Middle School. Week 9 will consist of 5 all day field trips.

Counselor in Training (CIT's)

The CIT program is available to all students who are entering the 7th-12th grade and will consist of leadership training where students will gain experience working with children in grades K – 6. Students must apply, be interviewed and accepted into the CIT program before being permitted to register. They will learn the skills needed to be a leader, a successful citizen, and a good friend. Students will gain experience in working with children that will prepare them for babysitting, potential courses at ZCHS and the possibility of working in any of the ZCS-GROW programs in the future. Students will receive a participation letter from the program director. Students are able to attend all field trips and swimming and act as counselors in training assigned to groups with adult counselors. CIT's will assist in swimming activities. Daily activities also include sports crafts, drama, games and creative play. CIT's will also enjoy leadership time together with the Program Director.
